

We are looking for your help!

The Canadian Assembly is looking to you to help us with a new 30 second public service announcement to help introduce new members to Narcotics Anonymous.

You can send in ideas, sketches, storyboards, full videos, we want all of your ideas!

These PSAs will be used for television and social media, so get your creative mojo going, and send us ideas! There is no idea too big or too small.

There are a number of PSAs already created around the world, feel free to use them for inspiration.

Send your submissions to: fdw@canaacna.org
