- We will have disinfectant, wipes, and water at each game.
  - Please **DO NOT** share ball gloves. Easily disinfected equipment like bats and balls may be shared.
  - Reminder that the 2-meter social distancing guideline is still in effect.
- HRM requires **ALL** participants of their facilities (players and attendees) to sign a waiver of liability regarding COVID-19.
  - The Activities committee will have sufficient quantities of these forms at each game.
  - Each participant need only sign once, as it covers all eight ball games we have.
  - Unless the waiver is signed, a participant cannot play ball.
- Due to COVID still being a public health menace, for the health and safety of our fellowship, we ask that each attendee at our ball games provide us with their first name, last initial, and phone number.
  - Should a participant get infected with COVID, this info will serve as an important tool to help medical personnel test for possible infections, and reduce contagion among the people we come in contact with.
  - As the incubation period of COVID-19 is typically around five days, but may range from two to fourteen days, we will keep this info confidential and destroy it on the third week afterwards.
