ACTIVITIES COMMITTEE: David C, Chair

Greetings from Activities,

We met Saturday May 25th at 10am on Zoom. We had 8/9 voting members attend the business meeting with 1 new member joining. Welcome Jessica. We opened with the 12 Traditions, 12 Concepts, A Vision for NA Service, and a moment of silence for the still suffering addict.

The convention went well with 101 attendees, 8 of which took advantage of the hardship fund. A lot of positive feedback with the members who shared, the H&I phonline presentation, and the play. Attendee's numbers were done, and we decided our next convention in 2026 will be in the HRM. Our theme will be "H.O.W. the Rhythm of NA's Heart". Logo contest starts today, and the winner will be announced at our October Area. The winner will receive NA related themed things. Total income \$13,360. Total expenses \$9,762 giving us a net of approximately \$3,500. There is still a few outstanding expenses and such so final financials should be at June's Area.

Dolores volunteered for Assistant Chair and was accepted. Thank you, Dolores.

We are still looking for someone to coordinate hikes.

Beach Day is July 27th – rain date July 28th. 12pm – 4pm.

Graves Island Campout is tentatively scheduled for August 17 & 18. \$25 per tent.

Family Day – Truro, Victoria Park August 11th 12pm – 4pm.

September Corn Boil and Washer Toss – more will be revealed.

Baseball poster is out – please contact Craig M for more information.

Fall into Recovery is planned for November 2nd in Dartmouth.

New Meeting June 22nd on Zoom. All positions will be available except Vice Chair and Chair. If you are looking to serve on the Activities Committee, please show up and hear about the requirements and duties for service positions and get to know how it feels to be a part of something larger than yourself.

YIS, David C

Supriya – wondering why our Convention is not in HRM? Why was the past convention in Truro and why the family day in Truro? David – kind of like an outreach. Regarding the convention, it was a time where we were barely making ends meet and Truro was able to meet our budget. Also, it was somewhat central. Scott reminded the group that we used to have several members attend from Cape Breton. 2026 Convention will be held in HRM.

ARCHIVES COMMITTEE: Dave B, Chair

We met on Thursday, 23 May, with two committee members.

Our Vice-Chair position is open. We had no nominations or volunteers.

Projects we're working on:

1. Home Group Setups. We ask each group to take a photo of their home group setup. No members are to be in these photos. We'd like the chairperson's table all set up ready to open a meeting. Also, the entrance to the meeting if it shows NA sings. Take as many photos of different angles as you'd like. We would like to make a digital display of all the home groups that can be seen at Area events. Photos can be emailed to Archives at archivescnana@gmail.com.
For this, we've made a list of all groups and will ask the Area secretary for the area contact list. We'll also put in the Area announcements "The Archives committee asks each group to take one or more photos of their home group set up so we can make a digital display of all the home groups."
2. Digital Storage. We'll finish formatting the USB back-up digital storage setup for the ASC and each of the subcommittees and home groups and will have it ready for our next meeting. The Archives Google Drive has also been worked on.
3. History of Nova Scotia Area & Central Nova Area Groups and Subcommittees. We'll be going through the minutes to make a history of our Area.
To help with this, we took possession of our convention banners and will list them in order to check what we're missing. Photos of event items (t-shirts/hoodies/coffee cups/banners, etc.) is ongoing.

Reminder to CNA & all subcommittees to send their minutes, etc., to archives.

Next meeting: 7:00pm Thursday, 20 June at 16 Arklow Dr., Cole Harbour. Hope to see more members.

EXECUTIVE REPORTS

RCM: Supriya D

Hi family, I attended the regional meeting held online on May 5th. The following information has been listed in point form for easy reading:

- There is an Environmental Scan (ES) being put on by CANA (Canadian Assembly of NA) to assess the effectiveness of the services it offers. This ES gives CANA input from the fellowship so they can make decisions for strategic planning for the next couple of years. This ES needs to be completed and returned no later than Aug 1st to prepare for the live meeting of CANA that is held around the time of the Canadian Convention. It's important that they have input from Atlantic Canada so there will be a 90-minute Environmental Scan Workshop hosted by the RD, Carl (Regional Delegate) Sunday, July 14th at 10:00 a.m. Zoom ID: 937 9880 0030 PW: NAservice All are welcome!
- The recently launched billboard campaign allows addicts in Halifax, NS and St. John's, NL to see the fruits of a CANA PR campaign that was launched in Quebec.
- NA literature is constantly being developed in indigenous languages as members fluent in such languages take on the role of translators in aid of carrying the message.
- The World Convention will be in Washington, DC this year. Check the CARNA website for more information. It's sure to be an experience you will always remember.
- Both contributions and literature sales have been down at the world level since the COVID Pandemic although there is now evidence that both are picking up.
- All interested members can visit the CANA-ACNA website (canaacna.org) for opportunities to join committees and become part of the larger service structure.
- NAWS (NA World Services) has the following 3 Issue Discussion Topics for fellowship input:
 1. Gender-Neutral and Inclusive Language in NA Literature
 2. Dealing with Disruptive and Predatory Behavior
 3. DRT (Drug Replacement Therapy) as It Relates to NA
- If our Area would like assistance with our PR efforts, Jesse M, CARNA PR Chairperson, is willing to help in whatever way he can.
- John B (Regional Treasurer) will send a flyer asap to our Area Secretary regarding the information needed for meals, rooms, and how to book rooms for the upcoming Regional Assembly.
- The NAWS meeting finder has officially launched. This provides accurate meeting directions within our region.
- Our region's web account has been successfully migrated to a new server with many enhanced features, functionality, and security.
- The position of Regional Web Coordinator is open if anyone would like to get involved at this level of service.
- Our RD made some calls regarding an insurance umbrella for all member groups within our region. Although the possibility is not ruled out, there are many differences among the Atlantic Provinces to be considered. More will be revealed at the next Regional meeting.
- Our Area gave the Region a contribution of \$825.84 at the May 5th meeting.

Upcoming announcements

- **June 15 and 16:** Northern New Brunswick's 10th Unity weekend. Lobster supper included.
- **July 15 - 21:** 33rd Annual Valley Pig Roast.
- **August 10th:** Regional Assembly, Mount Allison University Sackville NB.
- **August 17:** Fun In Recovery from 11am to 8pm 51 Church Street Moncton \$15
- **August 29-Sept. 1st:** World Convention of NA. Registration is open.
- **October 4-6th:** CCNA will be held in Edmonton and registration is now open.

[For more information you can check the events calendar on the CARNA website.](#)

The next regional meeting will be held in-person on Sunday, August 11th at Mount Alliston University in Sackville NB. Admin meets at 9:00 a.m.; Region at 10:00 a.m.

Yours in Loving Service,
Supriya, RCM

Questions about the GSR Assembly – David, when can you come up with a final financial number for the cost of meals and accommodations? John - \$62 + tax for the room and \$48.50 for breakfast, lunch, and supper total. Estimate to send GSR with would be \$200.

VICE-CHAIR: Vadim M

No report

CHAIR: Bill H

No report

TREASURER: Jennifer M

John B and myself went earlier this month to have the storage unit account at U Store It Self Storage changed from the Activities Committee to Central Nova Area. This will simplify the paying process.

I would ask that the GSR's make sure their groups discuss the regional assembly to be held August 10th and the regional meeting on the 11th, Does the group plans sending someone on their behalf only going for the day of the Assembly, or staying the night and attending the Regional Meeting as well. Does the group have the funds put aside for this. Will they need some financial assistance. If so how much. Do those going have room in their vehicle to carpool. In the past Region provided for lunch and supper on the day of the assembly. Due to the University's rules that only their catering service can be used, and the approximate cost of \$50.00 per person it is beyond the Regions financial capability to provide this, instead they are planning to have the catering provide for a snack (fruit and muffins) in the morning and afternoon. The groups are primary responsible for paying the transportation costs, meals, and accommodation if staying overnight. Area is responsible for sending our RCMs expenses (travel, meals, and accommodation). June is our last area before the Assembly occurs so it is important that we come prepared with our numbers. So we can determine what financial help is required and are we able to give it. It is also the last area to occur before we make another contribution to Region in August.

YILS Jennifer M.
